---

Grass Roots Rescue (GRR) is an all-volunteer, 501(c)(3) non-profit group that saves dogs, cats, and other animals that are at risk in shelters and within the community.

GRR's primary objective is to improve the quality of life for animals. We strive to achieve this goal through various methods:

- **Rescue:** Pulling at-risk dogs in local shelters and providing them with medical and foster care until the perfect permanent home is found. We also accept owner surrenders when space becomes available.
- **Outreach:** We aim to increase the overall health and well-being of animals by empowering members of the community through education and sharing resources.
- **Education:** Providing information to pet owners on appropriate pet care—ensuring a lifetime of happy, healthy relationships for all!

# how you can support our mission.

donate.

Monetary donations are greatly needed to pay for veterinary care, supplies, spay/neuter surgeries, and general costs of operating a rescue. Donations are tax-deductible (EIN # 46-3430593)

Donations of supplies such as food, beds, crates, flea/tick prevention, collars (martingales preferred), leashes, and raffle baskets for fundraisers are also greatly appreciated.

adopt.

Interested in adding a fur baby to your family? We can help! Visit our website to browse our available adoptables and fill out the online application.

All adopted animals are up-to-date on shots, fully vetted, and spayed/neutered when of age.

volunteer.

We are always looking for help!

- Fostering: Providing a safe, temporary home for our adoptable animals.
- Transporting animals
- Helping with adoption and fundraising events
